

Peer assessment

First, choose a colour for the labels below. Then, colour the shopping trolleys according to what you think about your classmates' second-hand shop.

How did you like your classmates' second-hand shop?

Colour the **almost empty** shopping trolley if you don't like it too much (**So-so - 30%**).

Colour the **half empty** shopping trolley half empty if you like it a bit (**Good - 50%**).

Colour the **half full** shopping trolley if you like it (**Very good - 70%**).

Colour the **full** shopping trolley if you like it a lot (**Excellent! (100%)**).
