

Option D: Fishing Numbers

INSTRUCTIONS: Print the fishing game template. Cut out the fish and attach a paper clip or a magnet near the mouth of each fish. Make a “fishing pole” using a magnet, a piece of string 30-40 cm long and a wooden stick. Tie one end of the string to the end of the stick and the other end of the string to the magnet. Don't forget to write your own facts about Earth on the fish that are blank. Spread the fish on the floor. Give each student a fishing pole and let's play!
