

Cootie Catcher

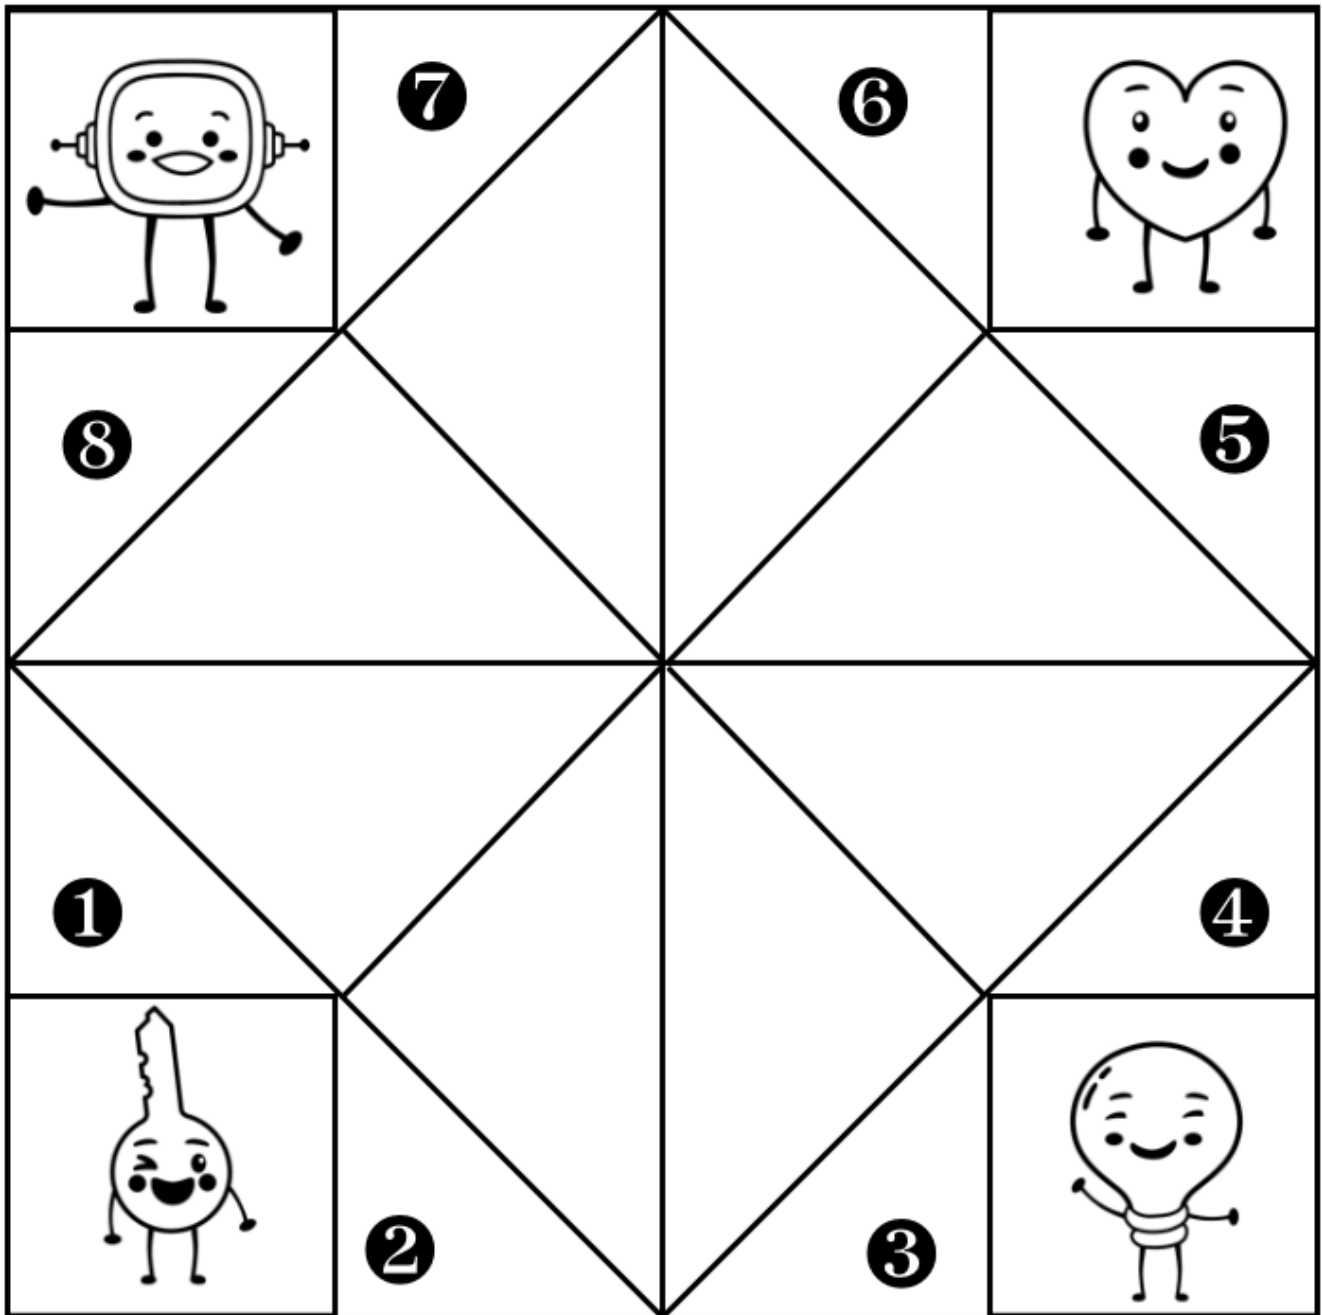

Vocabulary Fortune Teller - Cootie Catcher

1. Write your own definitions (nature, art or inventions) or use the given sample.
2. Cut the large square out.
3. Flip the paper upside down so that no writing shows. Fold each corner to the center so that the numbers are now visible.
4. Flip the paper over so that the definitions are facing up. Fold each corner to the center so that the definitions are hidden.
5. Fold between the words so that they are facing each other and pointing up. Tuck your fingers under the characters.
6. Now you are ready to play. Choose a number, read the definition and mark it in your check list.
