

See, think and wonder

WORK WITH YOUR CLASSMATES

I see: Write about what you have just seen in the pictures.

I think: Think about those pictures and write some ideas about them (Are they important for you? Are they important for culture? Should we take care of them?).

I wonder: Finally, do you have any questions? What would you ask? Write them.

<p>I SEE</p> 	<p>I THINK</p> 	<p>I WONDER</p>
