

## Send an email

# 1 Steps for sending an email

1

Turn on the computing device.

Open the email application.

2

Write the email address and subject.

3

Start by greeting the person.

For example, use hi or dear.

4

Write the email.

5

Say goodbye.

Sign your name.

6

Attach the file.

Choose the type of text.

Click on send.
