

Questionnaire : The Traces of the Past

The Traces of the Past

You need to find information by making an interview to know about daily life of people older than you. You can ask your grandparents, parents, aunts, uncles, neighbours or even your teachers!

Question 1: Which games did you play as a child?

Question 2: Did you have any pets?

Question 3: What things did you do with your family when you were younger?

Question 4: What did you like most from your school?

The Traces of the Past

Question 5: How old were you when you got married?

Question 6: What was your first job?

Question 7: Do you remember the first time that you saw a TV, telephone or a computer?

Question 8: What is your favourite electronic device?

Question 9: What is your favourite memory? And the saddest?

The Traces of the Past

Also you can look for information asking about these objects:

- Do you know these objects?
- Did everyone have one?
- What did you use it for?
- Were you the first person to have one of these?
- Do people use it nowadays?
