

Complete this house

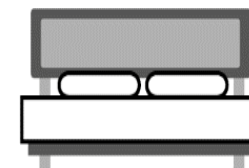

1. Cut and put the instructions in order.

	Write down the name of each room.
	Identify the furniture of each room.
	Cut and place the furniture on each room.
	Draw a character in any room.
	Say where the character is.

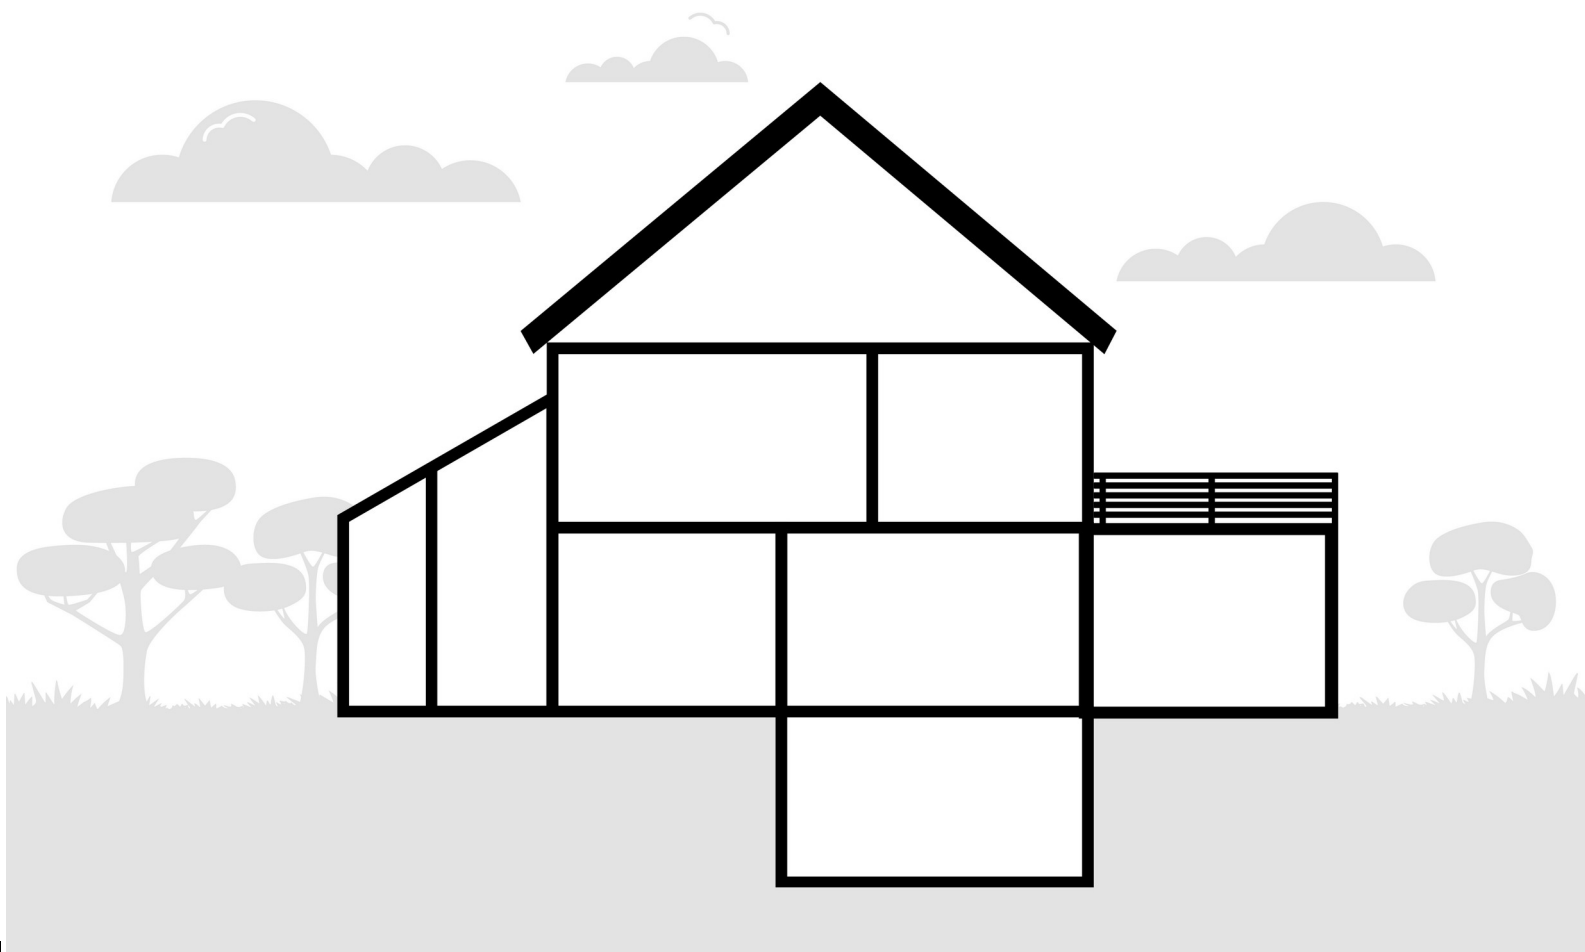

2. Compare your worksheet with the one of your classmates. Have you put the furniture on the same room?

3. Identify the different rooms in the house.

4. Place the furniture on the right rooms.
