

Describing a picture

1 Describing a picture

1. Match the parts to make sentences. ✂

In this picture	I can see two horses.
One horse is	light and the other is dark.
They have got	long tails.
They are not very big but	they are a bit fat.
They have	long necks.
They have four legs	and they are dark.
They are common animals	and they eat grass.

2. Match the following tags with the parts in activity 1. ✂

Introduction	Introduction
Body parts	Body parts
Adjectives	Adjectives
Colours	Colours

Introduction	Introduction
Body parts	Body parts
Adjectives	Adjectives
Colours	Colours

2 Task: write an animal description.

Describe the following picture with at least 50 words. Remember to use the adjectives and body parts you have just learned.

FEEDBACK: Have you introduced the type of animal? Have you named body parts? Have you added colours and patterns? Have you used the adjectives we have learnt?
