

Dear Marta,

How are you? We are spending **it to us** genially in this trip. The first day in the morning, we went to visit Loch Ness. the truth **that is** **(it was)** very nice and we **have liked** it very much.

Later, we went to a restaurant and we **already have** tried the typical food of Scotland that they **are** the haggis. And to finish the day, we went away to the hotel because we were tired of the trip.

The second day in the morning we went **in a ship to see the dolphins** that **since** already you know they are my favorite animals. and in the evening, we went to visit a Malt Whiskey Distillery.

So far, this is what we have done, but we **can** only **visit** Loch Nees and **to go** to **edinburgh's** theatre festival **yet**.

We have decided not **(to)** play the world's oldest golf course because **it has** not time us to do everything.

We'll see you soon.

Your friend Isa
Many kisses.
