

CHECKLIST "The Class Date"

Checklist "The Class Date"

Use this checklist to assess the conversations you have with your classmates during the Class Date.

After each conversation, write the name of the student you had the conversation with and assess their interaction with you using the following six items. Each of the six items describes an ability your interlocutor was able to display. Tick the abilities they showed during the conversation.

	They can manage their emotions	They can ask interesting and relevant questions	They can use the structure of questions quite well	They can use short phrases in the conversation	They are aware of their body language	They are empathic and respectful
