

Checklist

Check List

Write a dossier.

Use these modal verbs to make predictions: can, should & must.

Use these expressions to draw conclusions: due to, because, for this reason, that's why, so & consequently.

Prepare a file structured in folders with the description of the mystery situation, and information extracted from documents and interviews with those people involved.

Draw your own conclusions about what happened, write a summary and advertise it.

Be able to form your own, critical and logical opinion and express the conclusions appropriately.
