

Answering questions with the flipbook

1 Answering questions with the flipbook

In pairs, ask and answer these questions about the different sections. Students A and C start asking 5 questions to B and D. Students B and D answer those questions. You give a point to your partner for each question he/ she can answer using the flipbook.

There is a maximum of 10 points!

1.1 Questions

Questions		
Managing your time	1	When do you have English in your timetable?
	2	How many hours of study do you have in the afternoons?
	3	What is your favourite and least favourite subject in your timetable?
	4	Do you practice any sports in your free time or PE?
Classroom materials	5	What can you use to cut paper?
	6	Do you play the flute in music?
Goals	7	Which is your main goal this year?
	8	How are you going to get this goal?
SWOT analysis	9	What are your strengths?
	10	What is your flipbook favourite section? Why?

1.2 Points

Have a look at the points you have got! What went well? What do you need to improve? Let's see...

Questions		Points
Managing your time	1	If you get 4 or 3 points here you can organise your time perfectly now! If you get less than 2 points you need to revise this section a bit more!
	2	
	3	
	4	
Classroom materials	5	If you get 2 or 1 points here you remember very well the materials you need for the year!
	6	If you get 0 points here you need to spend some more time on this section.
Goals	7	If you get 2 or 1 points here you are a star on the year goals!
	8	If you get 0 points here you need to spend some more time thinking of your goals... remember there is some help in that section.
SWOT analysis	9	If you get 2 or 1 points here you know yourself quite well!
	10	If you get 0 points here you need to have a look at the SWOT analysis.
