Javier,

If this is an internet only project, and an internet quality image will meet your needs, I can provide you with the image free of charge - see the attached file.

Please use the following caption when displaying the image:

Lucanian Calyx-Krater, c. 400 BC. Attributed to Policoro Painter (Italian). Red-figure earthenware with added white, red, yellow, and brown wash; diameter of mouth: w. 49.9 cm (19 5/8 in); overall: h. 50.5 cm (19 7/8 in); diameter of foot: w. 22 cm (8 5/8 in). The Cleveland Museum of Art, Leonard C. Hanna, Jr. Fund 1991.1

If you do require a higher resolution image, let know, but we do charge an image use fee and issue contract that must be signed when supplying high resolution images. If you have any questions, please, let me know.
